Local Tax Professional Earns Enrolled Agent Status

Susan Santos Stevens

Pembroke Pines, FL – Santos Associates, Accountants since 1961, announces that Susan Santos Stevens has reached a personal and professional milestone by studying and passing the Internal Revenue Service's (IRS) intensive three-part Enrolled Agent exam covering all aspects of federal taxation. Enrolled Agents are empowered by the U.S. Department of the Treasury. The highest credential the IRS awards, Enrolled Agent (EA) designation recognizes demonstrated knowledge and assures clients that the agent is up-to-date on the latest tax law changes. Enrolled Agents, like tax attorneys and CPA's, have unlimited practice rights representing clients for tax issues including audits, collections and appeals before the examination division of the IRS.

In 1990, Susan received her Bachelor's Degree from the University of South Florida, Tampa, FL. Susan has a professional membership with the National Association of Enrolled Agents, America's Tax Experts®. Susan prepares Corporate, Estate and Individual income tax returns, as well as performing Accounting and Incorporation services. Susan's mentor and father, Edward J.
